1977 Gleaner Oswayo Valley School District Shinglehouse, Pa.

Mrs. Lanphere spent many years teaching French and English. She was the advisor for the National Honor Society and contributed much to the community. We wish to Thank you Mrs. Lanphere, for all you contributed.

Dedications

M. Natzle spent many years teaching chemistry, physics and science. He contributed a great deal to the school and community. He served as guidance counselor and he coached various sports, at various times. We wish to thank Mr. Natzle for all his contributions.

Mrs. Terrette devoted herself to the secretarial work around the high School office for many years. We wish to thank her for all her hard work while she was here.

Board of Education

Seated: Pauline Canfield, Corrine Pearsall, Treaserer, Joanne Appleby, Secretary, Edward Sherwood, President. Standing: N. Robert Graves, Laurence Bailey, Ned Henderson, Curtis L. Perkins. Not Pictured: Phyllis Shall, Vice President, Howard (Pat) Prince

Never in the history of our school system has a Board of Education had to handle so much of the tax payers money both on a local and state level as well as having to make countless decisions concerning the running of the school. The awesome responsibility of building the new school and planning the future of the district all make the job for which there is no pay a matter of real public service. We wish to thank the Board for their concern for us and the untold hours they have been willing to spend in our behalf.

Remember

the trip to the basement in Mr. Margeson's study hall, Bonnie and Toni?
making fudge for the Christmas Ball, Debi G., Steve R., Rachel, Elaine, Cheryl, Toni and Kim?
the Jr. Class Play party and the sprained ankle, Laurie and Rod?
what used to happen in the back of the Art Room?
the rubber stoppers?
the card games in 7th and 8th grade?
under the table in Mrs. Rathbun's room?!
Austin and Costello are places very near each other?
the bus ride to Corning, Clyde?
the trips to court and Rock City?
Elaine's van in the park, Steve?—with eight senior girls??
decorating for the Prom and Christmas Ball?
the strike in health and shorthand?

Oswayo Valley Baseball

Oswayo Valley's 9 win - 2 loss season was the second best in the Big 30 (N.Y. and Pa. H.S.) area. This excellent showing was a result of individual effort that resulted in many broken records and a total team effort that made this Green Wave team one of the best defensive teams in the school's fine baseball history.

Senior Co-Captains Dave Brabham and Karl Evingham did most of the record breaking with Karl setting a new season record for stolen bases with 22 and a career high of 33. His season high of 21 R.B.I.'s and a career total of 37 R.B.I.'s place him second in that all important category.

In 3 years Dave Brabham rewrote most of the record book. His career batting average of .465 ranks second only to Bill Stavisky's .469, however his single season hit totals of 22 in 1975 and 18 in 1976 rank him first and second in season hits and first in total career hits at 40. His career total of 11 doubles ranks first in the records and his single season marks of 6 in 1975 and 5 in 1976 also rank him first and second. Combine these with a career high of 4 triples and 9 pitching victories and we have one of the best players in Green Wave history.

Congratulations to Dave, Karl and the entire team on an exceptional season.

The J.V., coached by Mr. Flint and led by Dan Terrette's fine pitching (4-0) completed a perfect season of 4 wins and 0 losses. Congratulations team.

Most of the girls on the 1976 varsity volleyball team were participating in the sport for the first time. Although the girls as individuals had skill in the sport, it was difficult to successfully combine those skills as a team. Often the girls would win the first game of a match (remember running all those laps, girls?) but lose the second two games and consequently lose the match. Our season record was three (3) wins and eleven (11) losses.

Girls track has added a new dimension to our overall sports program at Oswayo Valley. This year's squad, although very young and inexperienced (12 of 16 completed their first year) have proven they can compete with other schools. Times and distance improved with each meet to a point where our girls can now look forward not only to a fine season individually but more importantly collectively as a team. The records this team set this year speak for themselves and again point out that this young team is ready to be counted. Our top 5 in points included Barb Perkins, Deb Meacham, Linda Klopf, Sharon Glogouski, and Paula Mertsock. Our Seniors, Darla Terrette and Vicky Taylor, will be missed but as in all sports others are ready to take their places.

Success depends on a total dedication of a team from the top point producer to the bottom and this is typical of the attitude of our girls.

With this type of attitude and desire evident I feel this new dimension is ready to become a winning one.

Boys Track Team

Sitting: K. Carlson, P. Kellogg, S. Grow, R. Gustin, G. Dietze, C. Rice, S. Gustin, N. Siebert, J. Glogouski, G. Good, B. Wood. Standing: S. Stavisky, A. Hemphill, K. Babcock, V. Keech, R. Drake, S. Leilous, D. Taylor, B. Harvey, C. Bell, J. Kleppinger, S. Grow, T. Perkins, R. Howard, K. Evingham, D. Pease, S. West, M. Artz.

Considering the depth and experience of our boys track team this year we can be proud of our team and their performances. For most of our boys this was their first full year of competition, and a team is not built and developed in one year. This year's experience will help our team in preperation and for next year's competition.

Our brightest spots were in the weights with Kip Carlson, Phil Kellogg, Russ Gustin, and Tim Perkins leading the way. Our sprints and hurdlers were also competitive. These included Karl Evingham, Nate Siebert, Joe Glogouski and Russ Gustin. Our middle and long distance runners made important strides forward and we feel will begin to be counted next year. Track is an individual as well as a collective effort.

Thanks must go out to all our athletes because they all contributed to our success this year. Two seniors will be missed next year, Karl and Tim. These two individuals paid the price and consequently were winners. Good luck to you two.

What ever it takes is a winning motto. With hard work and dedication we hope it will be a winning one for us.

Cross Country by its very nature requires a lot of dedication and love for the sport. Anything less will prove disastrous. Our small but growing squad has worked very hard this past rebuilding year and I feel we have finally turned the corner. One does not become a cross country runner over night but only can succeed through a hard and painful process of running, running and more running. Our teams have done this and are ready. Doug Taylor, our top runner, is presently one of the top runners in District 9. Brad Mertsock, an eighth grader, is the same classification as Doug and has 4 years to run. Following these two is Scott Gustin, an improving two year veteran. First year runners Scott Grow, Dan Antonioli, Rod Nelson and Mike Phillips have helped solidify our small but dedicated squad.

The seventh and eighth graders (led by Brad and Paul), the future of Cross Country at O.V. are indeed a bright spot. Our seniors Greg Dietze, Jim Kleppinger, and Sandy Johnson, paid their dues and their dedication, desire and ability will be missed.

We had only two girls' on the girls' team yet they ran with more heart than many teams with full squads. Paula, one of the finest, will be back. All she needs is help. We are small but growing and if our present squad is willing to pay the price, and they are, winning in Cross Country can become a tradition at O.V.

This year's girls' basketball team attained a record of 6 wins and 11 losses. This was an improvement over last season's record.

Only one senior, Elaine Graves, was on the squad. Elaine was team captain and one of the high rebounders of the year. Other high rebounders were Deb Meacham, Linda Stonemetz, and Barb Perkins. High scorer for the season was Cathy Voorhees who managed to score an average of 9 points per game.

The team was honored to have two team members chosen for the Northern Tier All Star Team. Cathy Voorhees was a member of the All Stars' first team and Deb Meacham was chosen for the All Stars' second team.

The junior varsity girls achieved an excellent record of 12 wins and 5 losses.

Next year the team can predict a more successful season, since only one senior will be leaving and the J.V.'s had such a fine record.

Oswayo Valley has always followed basketball faithfully. There are many sports in school now but the one that brings in the most fans is still basketball. This year our team showed enthusiasm and dedication as usual. Coach Smith kept them working and they responded in the best way possible. They proved to themselves how much spirit counts if one is to push on and win. As always we are proud of our team.

CARSON FINANCE Port Allegany, Pa. Twelve years of my life
I've spent with you
I can't walk away unchanged
We've grown together
Shared hardships and laughs
Some times not caring
If we failed or passed
We were in this together
We'll win in the end
We'll smile back and remember
The classmate and friend.

-Rachel
